

**Brigade S-1 Operations Course
Interpret USR Data**

18 November 2015

SUMMARY OF CHANGES

Slides	Title	Changes
1	Title page	Updated title to read "Interpret Commander's Unit Status Report (CUSR) Data"
2	TLO	Updated Action to reflect change in title. Added pertinent references in the "Conditions" statement.
3	References	Removed slide from presentation. A list of references was not needed since they are listed in the TLO.
13 – 17	Various	Moved the five slides to the end of training as Unit Reach Back Slides.
16	Personnel Metrics and Data	Updated the reference (old slide 22).
19	Available Strength	Added bullet comments to assist in the understanding of Available Strength.
19 (old)	Mission Accomplishment Estimates (MAE)	Removed slide from presentation. The slide referred to the elimination of the MAE requirement which was more than 5 years ago.
21	Available DMOSQ	Retitled the slide from Available to Assigned Change to Available DMOSQ. Add reference to slide.
22	Available MOSQ	Added slide to better articulate MOSQ.
25	Available Senior Grade	Added statement for clarity of what and who pertains to Available Senior Grade

27	NetUSR	Replaced screen shot and moved slide to #37
29 - 31	PAVR – eMILPO (1 of 3 thru 3 of 3)	Added slides with screen shots to walk through the eMILPO navigation steps.
32 -36	PAVR – eMILPO PDF Reports	Added slides with screen shots to walk through the PAVR PDF Reports. Updated existing eMILPO screen shot, old slide #37.
40 -41	NetUSR Deployed Short Report	Combined the two slides and moved it to #50
40 - 49	Various (All reference Net USR)	Added 10 screen shot slides of NetUSR for navigation through pertinent personnel functions/procedures.
53	Commander’s Comments (2 of 2)	Adjusted comments to be more specific under the “Good US Comments” section.
55	USR Support	Old slide 38. Removed outdated / inoperable links. Updated phone numbers for POC and moved to the end of the slide deck to slide # 48.
57	TLO	Updated Action to reflect change in title. Added pertinent references in the “Conditions” statement.
